Good Byes. Have a safe trip home. See you in Daytona. God Bless.

On-site vendors contact – Al Hopper

Vendors, since we do not know your time of arrival for the convention, the schedule to sign up to give your classes will be posted in the vendors room. (first come first served). I encourage you to do so. This will give you a greater opportunity to sell your supplies. This schedule will then be posted in the hotel.

I/we of ISCA thank you for your presence here, and I have put extra emphasis on supporting you so you will do well and continue to come to future ISCA conventions .

Harry Moore

1<sup>st</sup> President ISCA
